Dear Bhyrav:

As of December 11, 2023, DrJ Engineering, LLC (DrJ) completed the annual review for TER 2009-02, which certifies that STRONGIRT® and STRONGIRT® ULTRA are compliant with the building codes referenced in Section 4 of the Technical Evaluation Report (TER). The scope of the certification covered is as listed in Section 6 of the TER, and the term of the certification expires at the end of the day noted on the TER as the "Subject to Renewal" date.

In order to maintain your certification, a copy of your quality control manual must be sent to DrJ if it is edited or updated. Likewise, any changes to the design, manufacturing process, ownership, or structure concerning code acceptance must be incorporated into your accepted documents and submitted to DrJ for review. Inspection reports must also be submitted to DrJ as outlined in the approved surveillance program at the following frequency: Biannually.

An annual review is scheduled for Quarter 4 of 2024. The completed TER is posted on DrJ's website at <https://www.drjcertification.org/ter/2009-02>. Please visit drjcertification.org or call us at 608-310-6748 for more information.

Sincerely,
